

# The Arapawa

This simple gate works well for medium sized accessways and can be scaled to whatever height is required. This design is great for providing privacy and security. The raised caps add to the design but it can be finished with a straight top if requested.

## STANDARD SIZES

Height 1075mm (1000mm to top rail)  
Length 1000 / 2000mm / 2700mm
